

Yes, I am interested in the Sunnyvale Neighbors Actively Prepare (SNAP) community emergency response training program offered by the Sunnyvale Department of Public Safety, Office of Emergency Services.

The SNAP training is a 7 week program that is offered three times a year in the Winter, Spring, and Fall.

We will process each request on a first come, first served basis, so please respond as soon as possible. If we are unable to accommodate you during the next training cycle, we will add your name to our mailing list. We appreciate your interest in this program and look forward to hearing from you soon.

If you have any questions regarding SNAP, please call 408-730-7190 or email Cherel Sampson at csampson@ci.sunnyvale.ca.us.
